“SEXUAL DISCOVERY”

@WILLPOWERMAGAZINE

I'm from Pittsburgh, Pennsylvania. My childhood was not extraordinary; I wasn't a very popular kid in school, and I grew up on a farm. However, I enjoyed the outdoors and the time I spent with animals and plants. Grew up going to church and was raised evangelical.

I was a late bloomer

I didn't have sex until after college. I guess it was safe to do so when I was away from home in Florida. I have certainly made up for lost time. After I came out, I had a few flings and was regularly seeing a coworker until I met my now ex-partner in a threesome.

A full-body photograph of a man with a mustache, shirtless, flexing both biceps. He is standing in front of a dark grey wall with a horizontal wood-grain panel at the top. The lighting is even, highlighting his muscular physique.

**I'm really
attracted to
confidence.**

I like a man who knows he is worthy of great sex.

I am a daddy lover and prefer guys around my age. I typically set 30 years as the minimum to "ride this ride." Mental and emotional health plays a huge role in great sex for me. Lastly, I have a vast range of guys I like, but if you have a great ass, I am interested.

I love having sex, and group sex is fantastic, too; however, I do prefer one-on-one encounters, which I consider ideal.

I enjoy long sessions that can last the entire weekend. I call it marathon sex or a sexathon.

We explore every inch of one another and have sex all over the house. By the end, I

should be completely spent and exhausted.

I have a massive appetite for sex and kink. The community is fantastic; occasionally, there are a few bad apples, but I've connected with my tribe and met some incredible people.

I work incredibly hard to produce fresh content for my fan sites, including one-on-one scenes, orgy scenes, gangbangs, photos, and more.

Not to mention promoting on Twitter, Instagram, Facebook, and Bluesky. While rewarding and fun, it's an incredible amount of work that feels like the internet is a monster that is never satisfied. Remember that this is just the tip of the iceberg regarding the real story of being a content creator.

I post only very PG-rated content on my Facebook and Instagram. I must be careful because sometimes even a kiss can get my account in trouble.

I often reword or use puns and other terms that convey the same idea. I do love a dirty dad joke. I'm not one to post something super thirsty or trap-like on Meta. Long gone are the days of posting my ass on Instagram. I've recently taken the time to post parody content that is funny and somewhat sexual.

I consider myself a content creator or adult film actor. I happily say I create adult content when people ask me what I do.

I'm very thankful for all of it! I love my friends; they are my family. I love my fans, and I'm creating a life for myself that is truly enjoyable. **In 2019, I was diagnosed with [REDACTED] fibromyalgia, and I've been able to manage it flawlessly while practicing proper self-care.** I love the sex I have; I'm incredibly in tune with my body. I've traveled the world and completed a lifelong goal of going to Africa.

Lastly, I just celebrated four years in the industry.

I don't know what to expect in this new presidential administration, but I will work tirelessly for the community and produce content.

Adult film is a place where the outside world disappears.

People visit my pages and are transported to where the world's troubles melt away. I call it Jordi Massive Land. I love my job, and I just want to live my life and do what I love.
